# SHIVANA KUNDAMAMA

Hi, I'm Shivana, and I had a premature spontaneous Kundalini awakening. I had no idea what was happening, what to do, or where to seek support.

Over the last 8+ years I've had exposure to western doctors and psychiatrists, Indian gurus, and Shamans. It's been a long road of working through a very traumatic childhood, opening myself to a world I never thought was possible, and stepping into my path as a healer. I've been to the depths of my shadow to find balance, self-love, and freedom. If it feels right for you, I'd love to support you on your journey.

- Consultations and Intuitive emotional healing
- SATTANTRA embodiment workshops & private sessions
- Combination Tarot, Palmistry, Chakra readings, Reiki

## Offering Sound Healing Classes & Diploma Certification in Acutonics® Integrative Sound Medicine

Acutonics® is a complete healing system that encompasses modern and innovative science of sound technology with underlying universal laws and principles of medicine and healing. Acutonics is founded in the philosophy of Chinese Medicine and also integrates physics, depth psychology, cosmological studies (planetary myth & archetype), medical astrology and the arts into a holistic methodology in the applied use of sound vibration

Precision calibrated tuning forks tuned to the orbital properties of the Earth, Sun, Moon and Planets- known as 'The Music of the Spheres', are activated and applied directly to the body.

Acupuncture points provide noninvasive access into the core energetic systems within the body. The planets provide musical intervals, archetypes, and correspondences that help us to fine-tune the therapeutic frequency that is applied to the body to promote inner harmony. Planetary tuned chimes, Gongs and other sound based tools such as Tibetan Bowls, the rattle and drum may also be weaved into the healing session.

## Sound Healing Products

We are the Australian distributor of the Acutonics® Tunings Forks, Hand Chimes & Books. We also stock quality 7 metal Tibetan Bowls (made in Nepal), Tinchas and Bells.

## Sound Medicine Sessions

Acutonics® Sound Medicine Sessions at Sound Temple Ocean Shores.
